**“Letter of Recommendation for Employment/Admission”**

It is my great pleasure to recommend **Mr. Millend Roy**, student of **Indian Institute of Technology (Indian School of Mines) Dhanbad** for employment OR admission in your esteemed organization / institution.

I was his mentor and guide, when he was doing summer internship at **M/s Vardhan Consulting Engineers** during **11th April 2020 to 22nd May 2020**.

During that time, I was thoroughly impressed by his commitment, focus and understanding towards his internship project- **“Simulation and Calculation of AEP using PVSyst of Grid connected 100 kW Solar PV Project in Noida, U.P.”**. I admire his hard work on content, representation and proper formatting of his internship project report, which he submitted within the stipulated time.

It is my strong opinion that **Mr. Millend Roy** would be a tremendous addition to your team, and I am happy to give my highest recommendation.

Please feel free to contact me if you have any questions regarding his character or project work.

Sincerely,

**Ashish S Kumar**
